What Happens to Yard Waste ?

Mulching of residential landscape waste was discontinued in Monroe County several years ago due to limited demand, disease and contamination concerns. Check with you local service provider (see other side of brochure for phone numbers) to find out whether yard waste is still being separated in your neighborhood. If you would like to start your own food/yard waste composting project at home, contact Extension Agent Kim Gabel at:

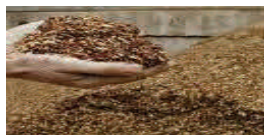

(305) 292-4501 or visit the website <http://compostinfo.com/>
